

My dear Miss Weston.

I am very much obliged to you for sending me the Autographs, which came to me in ample time as it proved, for we have had almost continuous guests ever since you were in our city - I have selected from them to the amount of nine dollars which I now enclose and hope the remainder will reach you safely again - I

am also indebted to your
kindness for the reception of a
very pretty drawing of Kinnil-
worth Castle from Miss Mary
Carpenter = I suppose she has
also enclosed your sale with
some of her many beautiful
illustrations of English and
Continental scenery. She seems
to be entirely devoted to all
good words and works.

I thank you for your
sketch of your sister's plans.

They will enjoy their
winter very much, and the
World's Fair - as one crowded
scene in which they can enjoy
without any responsibility -
It would be to me the very
last place I should wish to
visit, if I could find any other
shelter on the face of the earth,
though I should enjoy seeing
some of those superb Bohemian
paces - at any less effort than that
of threading my way through

millions of humanities.

From our friends abroad we
too have pleasant tidings - Mrs
Barton's party write glowingly
from Athens, and are in Egypt now.
Benjamin Kotch's party in two
carriages are just leaving Paris for
Italy - where all will meet together.
My Mother joins me in the
kindest remembrance to yourself
and your sisters - and

I remain very sincerely
yours E. R. Arnold.
